ASTON

The Aston range of Executive chairs provides all the style and comfort of a mid range Executive chair in either White or Black leather or a choice of fabrics to help enhance your company's corporate image.

Our Aston Executive chair also comes as standard with height adjustable arms and our black plastic base with the option for you to choose either the chrome or black spider base or the stylish black poly back which gives this chair a completely different look.

Sturdy's Aston Executive chair is fitted with gas height adjustment and a synchronized mechanism with tension adjustment lockable in any position which also makes this chair a versatile and aesthetically pleasing chair for around your company's Board-room Table.
