

# CLASSIC

## EXECUTIVE RANGE

CLASSIC LEATHER  
CS77A24B7

CLASSIC UPHOLSTERED  
CS77A24B7

With traditional aesthetics this chair has been designed to complete the package within a contemporary office environment.

The classic is highly sought by executives who are aware of both comfort and functionality.

Since the early seventies the classic has been one of the most sort-after executive chairs. Even today, architects and interior designers still specify the classic.

Ergonomically contoured seat with waterfall front to improve the blood flow to the legs and thereby reduce the incidence of 'pins and needles'.

Fitted with a front pivot tilt mechanism, the Classic pivots from behind the knee keeping your feet firmly planted on the ground when you lean backwards. This closely mimics the natural movement of your legs while seated.

Available in medium and high back with removable seat cushion.

DIMENSIONS	Back Size	Seat Height	Seat Size
	High 670 Low 585	500 - 580	510D x 560W
