

## EXECUTIVE & BOARDROOM

## PREMIER

A stunning chair, the Premier provides all the style and comfort you require with many options like the larger seat for extra comfort.

Available in both high back and medium back models, the Premier is fitted with gas height adjustment and a synchronized mechanism with tension adjustment lockable in any position.

The Premier is available in a large selection of fabrics and leather and has a range of different chair options to choose from, like the arm & base options.

Compliment the Premier Executive with our Premier visitor's chair.
