## VISITOR RANGE

CHROME 4 LEG  
PC945CHR

4 LEG  
PC945

Picton provides strong adaptable seating which will compliment the office, training room and lecture theatre in any modern office environment.

Picton is designed as the complete feature packed product. The stylish, fully upholstered back with concealed fasteners, and a generous moulded arm design make the Picton an attractive solution. With an ergonomically contoured seat with waterfall front, combined with superior seat and back foam the Picton offers exceptional comfort and support.

High quality frame construction provides all the support you need. Available in chrome frame, black or silver powdercoat finish.

The Picton easily stacks in groups of 4 for times when space is a premium.
