Options	
Option codes must be placed in alphabetical order after chair code.	
B1	Polished aluminium base
C5	Glides
D1	Polished footring (standard lift)
D2	Polished footring (high lift)
D4	Black footring (high lift)
E	Ergo-sit cushion (moulded seat only)

The Lynx range also extends to offer a variety of stools perfect for all applications requiring high lift. Applications such as check-in counters, drafting or even in a factory situation, the number of uses are endless.

All Lynx Stools are fitted standard with a plastic footring to provide a product that is comfortable and easy to use.

Moulded Stool top

Available with moulded polyurethane seat cushion for increased comfort over long periods of use. It provides an ergonomically contoured seat with waterfall front to improve the blood flow to the legs and thereby reduce the incidence of 'pins and needles'

15" Stool top

Available with a 15" diameter stool top to provide a traditional aesthetic. Utilising slab stock foam. All models come standard with gas height adjustment, plastic footring and a swivel feature for ease of use. Also available with extra high lift gas strut.

Lynx Stool, 15" round seat, footring.

Lynx Stool, moulded seat, footring.

Description

Drafting Stool, moulded seat, non-tilt, footring
 Drafting Stool, 15" seat, non-tilt, footring
