The Flou range provides versatile visitor seating for education, training rooms, and general seating environments.

It's ability to be stacked provides a product that is space saving in storage situations and is easily transportable.

With optional upholstered pads, for both seat and backrest, the Flou range provides comfort and support far superior than other plastic chairs on the market.

Its stylish frame and shell design lifts the Flou Range to another level and makes it an attractive solution for any modern environment.

Flou Height Adj. Blue, black frame, no arms.

Flou 4-Leg Black, Red uphol, black frame.

Flou 4-Leg Blue, black frame with arms.
