

# REC LOUNGE

## LOUNGES

### RL943

The Rec Lounge has been designed as a high-use chair for reception and waiting rooms.

The steel construction, heavy duty timber and cross support members are designed to take the most punishing treatment. With strong gauge tubing and superior welding has made this chair sought after by Australian Universities and Colleges.

Deep moulded polyurethane seat and back cushions provide exceptional comfort and support.

Available in black, chrome or silver powder coated steel frame.

Back Size: 560 W x 470 H  
Seat Size: 560 W x 460 D  
Seat Height: 400  
Overall Height: 870

Product Options: A39 - Arms  
CHR - Chrome frame  
SPF - Silver powder coated frame
