

## EXECUTIVE & BOARDROOM

# TURIN

## TURIN

A stylish and practical chair, the Turin Executive provides all the style and comfort you require at an affordable price.

Featuring a seamless combination of rich black leather front and vinyl back the Turin promises comfortable, ergonomic seating and looks that will enhance any office or boardroom application.

Available in both high back and medium back models, the Turin is fitted with gas height adjustment and a synchronized mechanism with tension and an adjustable lumbar support.

Our Turin Executive comes standard with chrome arms and chrome base and is only available in black leather.

Sturdy's Turin Executive chair is also suitable for around your company's Boardroom Table which will help to enhance your company's corporate image.
