GALAXY SQUARE BACK

GS78A27B1

GALAXY SQUARE

The Galaxy Square Back is your choice for those who treasure the traditional type management chair. With soft extra thick cushioning, Galaxy continues the tradition. Separate seat and back units are joined by two heavy-duty brackets, which makes this range suited for rugged use. Galaxy has also been re-vamped to include the latest thinking in comfort. Available with lock tilt in low, medium and high backs, with the option of a shorter seat. Galaxy continues to be at the forefront of seating comfort, while maintaining traditional values.
