

# Adjustable Workstation

## Adjustable Workstation

Designed to enhance comfort, flexibility, and productivity, the **Electric Height Adjustable Workstation** allows users to seamlessly transition between seated and standing positions throughout the day. Built for modern work environments, it combines ergonomic performance with a clean, professional aesthetic.

The workstation is available in a range of configurations to suit different layouts and applications, including straight and L-shaped designs.

### Features & Options:

A variety of customisation options are available to suit your workspace needs, including:

- Scallops and cable cut-outs
- Cable baskets and trays
- Modesty panels
- Privacy screens
- Integrated power and data solutions
- Cable management systems

All configurations are also available in alternative depths such as 600mm and 900mm, depending on the selected tabletop size. Additional custom dimensions are also available.

### Available Dimensions:

Straight:

- 1200mm W x 750mm D
- 1500mm W x 750mm D
- 1800mm W x 750mm D
- 2100mm W x 750mm D

L-Shape Workstations (90 Degree):

- 1200mm x 1200mm x 750mm D
