

# Rectangular Table

## Rectangular Table

Designed for durability, versatility, and modern workspaces, the **Rectangular Table** offers a complete solution for commercial environments. Combining a robust steel frame with a high-quality melamine surface, it delivers both strength and visual appeal across a wide range of applications.

The frame is constructed from premium 31.8mm square steel tube, exceeding industry standards and providing exceptional stability and long-term performance. Finished with a durable powder-coated coating, it resists wear and maintains a clean, professional look in high-use settings such as offices, education facilities, and meeting spaces.

The tabletop features a 25mm melamine surface, offering excellent durability and everyday practicality. With a broad selection of colours available via our online melamine range, the table can be easily matched to suit any interior scheme.

Custom tabletop options and add-ons can also be incorporated to suit specific customer requirements. These may vary depending on the table configuration and can be discussed as part of the specification and purchasing process.

### Warranty

- For added peace of mind, the frame is backed by a 3-year warranty, while the tabletop is covered by a 10-year warranty, ensuring dependable quality you can trust.

### Powder Coated Frame Colour Options

### Dimensions (mm)
