

Venice Task Range

Venice Task Range

The Venice Task Chair range from Sturdy combines contemporary styling with reliable ergonomic performance, making it a strong choice for modern office environments. With its distinctive back design, the Venice chair delivers a clean, professional look that fits seamlessly into a variety of workspaces. This versatile range includes everything from standard task chairs to drafting chairs, along with a broad selection of customisable options. Features such as a sculptured seat, height-adjustable arms, polished bases, seat slide functionality, and ergonomic seating options allow each chair to be tailored for comfort and support.
