

Boardroom Table

Boardroom Table

Designed for professional meeting spaces, the **Boardroom Table** offers a clean, functional solution for conference rooms, boardrooms, and collaborative environments. Featuring a durable 25mm melamine top and sturdy panel ends, this table delivers a solid and dependable structure suited to everyday commercial use.

Built as a fixed-leg design, this table is intended for permanent placement, providing long-term stability and reliability. Its strong construction makes it a popular choice for high-use meeting areas where durability and minimal movement are key considerations.

Available in a wide range of sizes, shapes, and finishes, the table can be tailored to suit your space and design requirements. With smooth, sealed surfaces and radiused edges, it is easy to maintain and compatible with standard commercial and healthcare cleaning practices, making it a practical and versatile addition to any workplace.
