

Uni Flip Table

Uni Flip Table

The **Uni Flip Table** is a flexible and practical solution designed for dynamic workspaces, training rooms, and collaborative environments. Its clean, modern design allows it to integrate seamlessly into a variety of settings, while supporting quick reconfiguration to suit changing needs.

Featuring a user-friendly flip-top mechanism, the table can be easily folded and nested when not in use, maximising space efficiency and simplifying storage. The sturdy frame and linkage system ensure stability during use, while still allowing smooth and controlled operation when transitioning between positions.

Equipped with durable castors for mobility, the Uni Flip Table can be moved and positioned with ease, making it ideal for multi-purpose areas. Available in a range of sizes and finishes, it offers a versatile and reliable solution for workplaces requiring adaptability without compromising on strength or functionality.

Features

- Safety stay upright locking mechanism at 90°
- Free table linking system for multi-workstation setups
- Swivelling castors for smooth mobility
