Maya Stool - 75

Maya Stool

The **Maya Stool** combines modern European design, commercial-grade durability, and everyday comfort in one stylish seating solution. Manufactured in Europe, this counter-height bar stool is designed for both indoor and outdoor commercial environments, making it ideal for cafés, restaurants, hotel dining areas, and contemporary residential spaces. Featuring a clean, minimalist silhouette and a durable one-piece moulded construction, the Maya Bar Stool offers exceptional strength while maintaining a lightweight profile for easy handling and repositioning.

Features:

- Reinforced with glass fibre for increased strength and durability.
- UV-stabilised material helps prevent fading and deterioration from sun exposure.
- Weather-resistant construction makes it suitable for outdoor dining and entertainment areas.
- Easy to move, stack, and rearrange as required.
- Includes replaceable feet to help extend product lifespan and protect flooring.

Available Dimensions (mm):

- Maya Stool 65: 980H x 500D x 440W (650 Seat Height)
- Maya Stool 75: 1080H x 510D x 450W (750 Seat Height)
