

# Quasar Task

## Optional Extras

## Quasar Task Range

Featuring easy-to-reach controls, the **Quasar Task Range** allows independent adjustment of seat height and back angles from a seated position, ideal for shared workspaces or roles requiring frequent changes. For added comfort, it can be fitted with the Ergo-sit cushion, using multi-density foam to provide enhanced support and promote better posture. This makes Quasar especially well-suited for call centres and high-use environments.

### Back Dimensions (mm):
