

Verona Lounge Range

Verona Lounge Range

The **Verona lounge chair** is an economical, well-proportioned seating solution designed specifically for commercial environments where comfort, durability, and efficiency are essential. Generous seating is combined with compact arms to maximise usable space, while comfort is achieved through the careful balance of seat and back angles paired with selected high-resilient foams. Lightweight in design yet robust in construction, Verona is easy to relocate for cleaning or reconfiguration and built to withstand high-use applications. Featuring a fixed back cushion, a reversible seat cushion, and brushed stainless-steel legs with alternative options available, the Verona Lounge Chair delivers practical comfort with a clean, contemporary presence.
