

Air Stool

Air Stool

The **Air Stool** is a contemporary seating solution designed for commercial venues that demand durability, comfort, and style. Manufactured from glass fibre reinforced polypropylene, it offers exceptional strength while remaining lightweight and easy to handle. Suitable for both indoor and outdoor environments, the Air Stool combines practical functionality with a clean, modern aesthetic, making it ideal for cafés, bars, restaurants, hospitality venues, and outdoor dining areas.

Features

- Durable polypropylene construction reinforced with glass fibre.
- UV-stabilised to resist fading and maintain appearance.
- Weather-resistant for indoor and outdoor use.
