

Blok Ottoman

Blok Ottoman

Built for high-traffic commercial environments, the Blok Ottoman combines durability, comfort, and flexibility with a clean architectural design, making it an ideal seating solution for workplace, hospitality, education, and collaborative spaces. Featuring a minimalist upholstered form supported by a sleek metal frame, the Blok Ottoman seamlessly adapts to a variety of spaces, whether used as a standalone statement piece, casual seating element, or part of a larger modular layout.

With its bold geometric profile and generous cushioning, the Blok Ottoman creates inviting spaces for gathering, waiting, collaborating, or relaxing. Available in multiple sizes and upholstery options, it delivers a balance of durability, comfort, and modern design that complements both vibrant and refined interiors.

Upholstery Options

- Sturdy provides a versatile selection of upholstery finishes, including fabric, vinyl, and waterproof fabric, designed to meet a variety of functional and aesthetic requirements. For further information, contact our sales team at Sturdy Framac.
