

Function Chair

Function Chair - Fabric

Function Chair - Vinyl

Function Chair

The **Function Chair** combines durability, comfort, and timeless style, making it the ideal seating solution for a wide range of commercial venues. Available in both premium fabric and quality vinyl upholstery, this versatile chair is designed to perform in high-traffic environments such as function centres, banquet halls, restaurants, conference facilities, churches, and event spaces. Built on a heavy-duty 25mm square steel tube frame, the Function Chair delivers exceptional strength and stability while maintaining a sleek, professional appearance. The generously padded seat and backrest feature high-resiliency foam for superior comfort, ensuring guests remain comfortable throughout extended events. With its stackable design, replaceable feet, and robust construction, the Function Chair offers practicality, longevity, and outstanding value for commercial operators.
