Galaxy Range

The **Galaxy Range** is the ideal choice for those who appreciate the enduring style and reliability of a traditional management chair. Featuring soft, extra-thick cushioning and a robust twin-bracket design that connects separate seat and back units, Galaxy is built for long-lasting performance in demanding office environments. Available in both medium and high back options, this classic seating solution has been updated with modern ergonomic principles to deliver exceptional comfort while maintaining its timeless appeal.

Features

- Traditional management chair design with a professional appearance
- Soft, extra-thick cushioning for enhanced comfort throughout the workday
- Durable design suited to high-use office environments
- Ergonomically updated for improved comfort and support
- Available in Medium Back and High Back configurations
- Square back styling suitable for executive and management applications

Upholstery Options

- Sturdy provides a versatile selection of upholstery finishes, including fabric, vinyl, and waterproof fabric, designed to meet a variety of functional and aesthetic requirements. For further information, contact our sales team at Sturdy Framac.
