

Hyatt

Hyatt

The **Hyatt** is a modern lounge seat designed to deliver comfort, durability, and visual clarity in equal measure. Defined by its clean lines and balanced proportions, it features a generously cushioned seat and back that provide everyday support while maintaining a neat, tailored appearance. The structured side panels frame the design, creating a strong yet inviting silhouette suited to both residential and commercial interiors. Upholstered for durability and supported by solid timber legs, the Hyatt is designed to perform in high-use environments without compromising on style. Its considered form and versatile profile make it ideal for reception areas, shared spaces, apartments, and waiting rooms where comfort, longevity, and contemporary design are essential.
