Marcel Stool - 75

## Marcel Stool

The **Marcel Stool** is a stylish and durable commercial seating solution that blends classic European café-inspired design with modern performance materials. This bar-height stool features a distinctive perforated backrest and seat, delivering both visual appeal and practical comfort for hospitality and commercial environments. Constructed from UV-stabilised, glass fibre reinforced polypropylene, the Marcel Bar Stool is built to withstand the demands of daily commercial use while remaining lightweight and easy to manage.

### Features:

- Strong, stable construction suitable for high-traffic environments.
- UV-stabilised material protects against sun damage and fading.
- Weather-resistant design performs well in outdoor dining settings.
- Perforated seat and backrest promote airflow for enhanced comfort.
- Replaceable feet available to help extend product life and protect floor surfaces.

### Available Dimensions (mm):

- Marcel Stool 65: 960H x 440W x 500D (650 Seat Height)
- Marcel Stool 75: 1060H x 450W x 520D (750 Seat Height)

### Propylene Shell Colour Options:
