

Roma

Roma

For folks who enjoy a little extra padding, the **Roma** features a moulded foam comfortable seat and back. The seat slide allows for additional adjustability, offering more legroom to enhance comfort. The variety of adjustments creates a customised ergonomic seating experience, with the option to add arms for extra shoulder support. The SafeTex Anti-Bacterial upholstery contains a surface inhospitable to key bacteria and mould, making this a weapon against staining, unpleasant and premature degradation.

Back Options

- Available in both medium and high back

Features:

- Robust 3 lever mechanism
- Independently adjustable seat & back rest angle – free floating or lockable
- Seat slide mechanism
- 130 x 48mm gas lift
- Polyurethane moulded foam
- 60mm twin wheel castors

Optional Adjustable arms
