Victor Stool

The **Victor Stool** combines classic bentwood-inspired styling with modern commercial durability. Designed for indoor and outdoor use, this counter-height stool is manufactured from UV-stabilised, glass fibre reinforced polypropylene, making it an ideal seating solution for cafés, restaurants, hospitality venues, and residential spaces.

Features:

- UV-stabilised, glass fibre reinforced polypropylene construction
- Suitable for indoor and outdoor commercial use
- Elegant bentwood-inspired European design
- Counter-height 650mm seat ideal for kitchen islands and counters
- Lightweight and easy to move at approximately 4.2kg
- Weather-resistant and fade-resistant finish
- Replaceable feet for extended product life
- CATAS tested for commercial durability

Dimensions (mm):

- Victor Stool 65: 960H x 440W x 500D (650 Seat Height)
- Victor Stool 75: 1060H x 450W x 520D (750 Seat Height)
